Re: Request for Additional Information for April Quarterly Report

Dear Ms. Grant,

Enclosed please find an amended April Quarterly report for Andrews for Senate (FEC ID # C00448654). The reporting of some contributions as designated for the 2008 General Election was purely a data entry error on my part.

When using the NGP software to enter contributions, the selection box for period is automatically populated with the most recently used election. I am the treasurer for Andrews for Senate, but also Andrews for Congress and the Committee to Strengthen America. I likely made a contribution entry for another committee for "General, 2012" and forgot to change the election year and period. When I checked the report for errors, I remember noticing the incorrect election year and went back and fixed those errors prior to filing the original report. I inadvertently overlooked the period designation. I appreciate that you brought this error to my attention.

The amended report now accurately reflects the election year and period for all contributions as "Primary, 2012."

Please let me know if you have any additional questions.

Very truly yours,

Robyn A. D. Ferdinand

Treasurer

Andrews for Senate
